The Caileigh Lynn McDowell Foundation
2025 SCHOLARSHIP

Everyone that had the privilege of knowing Caileigh, knows that she loved unifying people, encouraging others, standing up for justice, sharing a smile and spreading kindness. Her tragic, unexpected death in 2016, during her senior year at Woodland Hills High School, has created a community movement to remember and honor her goodness. As part of its efforts to share goodness with the community, The Caileigh Lynn McDowell Foundation scholarship program awards up to two $5000 scholarships annually.

The Foundation Scholarship program honors senior Wolverines that exemplify the ability to find common ground with their classmates. These individuals are inclusive, have a generous spirit and are always kind.

Just like *Caileigh.*
